F.No.25(III)/DGEHS/1045/DGHS(HQ)/2019-20/Pt. 11774-834 Dated:- 01/4/2020

To,

All Medical Superintendent Delhi Govt. Hospitals
All CDMOs

Sub:- Advisory regarding medicines to DGEHS serving beneficiaries.

Madam/Sir,

As you must be aware that GNCTD has invoked Epidemic Disease Act, 1897 and issued Delhi Epidemic Diseases, COVID-19 Regulations, 2020, for prevention and containment of COVID-19. People have been advised to stay indoors and maintain social distancing. In these circumstances, the routine procedure where beneficiary visits empanelled hospitals for continuation of prescription for chronic diseases is not practicable.

In view of above, AMAs may be advised not to insist on fresh prescription from Specialist and may consider continuation of medicines prescribed by Specialist on the last visit, by another three months, if the patient is stabilized on same medicines and there are no fresh complaints.

This issue with prior approval of Director General Health Services.
